## MARCH 2023 BULLETIN

### BACK BY POPULAR DEMAND:

Dumpster Day is baaaaaaaaaack!

Saturday, April 1<sup>st</sup> between 8am and 1 pm. Waste, trash, metal recycling from your homespaces (no outside waste from your jobsites, no hazardous materials, no paints, oils, garden chemicals, cleaning chemicals, or acids. No electronics.)

Please call the Office if you are unable to transport items to the dumpsters or if you have questions. We will be picking up items from in front of your homes on Friday. If the items are too heavy for us to lift, you will need to dispose of them yourselves.

### RAIN AND LANDSCAPING

Please do not use landscape bark as it clogs our Park drains and prevents water flow. We recommend rock. Additionally, please ensure that only permissible items are on your homespace (no debris), and that landscaping is maintained (leaves picked up, etc).

### DID YOU KNOW?

We have a Neighborhood Watch/Block Captain group and a Community Connection Group! Check out the Kearney Lodge Website Calendar for dates and times.

### DAYLIGHT SAVINGS

Daylight savings is on March 12<sup>th</sup> this year. Don't forget to set your clocks ahead!

### NEW KIOSK PARK MAP

We have a new Park Map installed in the front kiosk! Check it out! And if you need a Park map of your own, we have them at the Office and in the front kiosk (just lift up the top to grab one).
