## DECEMBER '23 MONTHLY BULLETIN

Happy Holidays to all!

**MORE ON THE BACK-PLEASE FLIP OVER**

### **WE CAN'T WAIT TO SEE EVERYONE'S HOLIDAY DECORATIONS!**

It seems like every year we have more and more people putting up holiday decorations and we love to see how you decorate!

- DOES YOUR VEHICLE HAVE OUT OF DATE TAGS/REGISTRATION?**
- IS YOUR VEHICLE DAMAGED OR MISSING PARTS?**
- DO YOU NOT DRIVE YOUR VEHICLE AND STORE IT IN YOUR CARPORT?**
- IS YOUR VEHICLE MISSING THE REAR LICENSE PLATE?**

Please be aware that if you answered yes to any of these questions you are in violation of the vehicles Rules and Regs. Please make sure all your vehicles are running, have current tabs and registration, are driven regularly or stored offsite, and are not missing parts or severely damaged.

### **WET WET WET**

We hear it may be another El Nino year, which means wet weather. Now may be a good time to get those gutters cleaned out, leaves and bark cleaned up, and generally be prepared for rain.

### **HOVERBOARDS/SKATEBOARDS/BICYCLES/SCOOTERS**

Please be careful when riding in the Park and be mindful of pedestrians and vehicle traffic. We've had vehicles cut off by folks who have been riding and we don't want anyone to have an accident!

### **INCORRECTLY DELIVERED MAIL OR PACKAGES**

With the Holidays upon us, more packages are being delivered to residents in the Park. If you receive a package that is not yours, please call the Office. We may be able to look up the person's correct homespace.

### **AND SPEAKING OF GIFTS....**

'Tis the season and we know some of you will be receiving all kinds of fun gifts like remote control toys and drones. Please be aware that these can not be used in the Park. Please take them offsite if you want to take them for a spin!
