Loaner KL Trash Cans

If you have a home project and need a couple extra cans, we're happy to loan them to you on a first come, first serve basis for that week's trash day!

If you have borrowed a KL trash can for the week, please call so we can pick it up for others to use. Thanks!

It's summertime and the pools are currently open! Each household are allowed two guests at the pools. The guest must be accompanied by the homeowner while at the pool and in any common areas. Kearney Lodge guests must adhere to all KL Rules and Regulations.
